*INVITATION FOR PARTICIPATION
in*

**XIV INTERNATIONAL EDUCATION FAIR
WORLD EDUCATION**

Leading Schools, Colleges and Universities

SOFIA, NATIONAL PALACE OF CULTURE, 25-27 FEBRUARY 2011

Dear Madam or Sir,

It is our honour to invite you to take part in the **XIV International Education Fair** organized by Meridian 22 Ltd. in end-February at the National Palace of Culture, Sofia, Bulgaria.

The event is traditionally held with the kind support of the Ministry of Education, Youth and Science, Sofia Municipality, the Bulgarian Chamber of Commerce and Industry and the National Agency for Vocational Education and Training to the Council of Ministers.

The education fair aims at meeting the information expectations of prospective students by presenting the variety of study programmes offered by leading educational institutions from Bulgaria and abroad, Europe and North America in particular.

It is crucial for the applicants to receive information in advance on the different undergraduate and graduate programmes and qualifications offered by the universities from Bulgaria and abroad. The more participants in the fair, the more rational choice prospective students will make, respectively, the more appropriate study programme they will select, thus ensuring for them further successful career development. On the other hand, the attendance of the universities at the fair will increase the number of prospective students willing to enroll and respectively, will contribute to their further popularisation and recognition as an efficient educational source of highly qualified young specialists required by the economy, politics, social sphere, health care, culture, etc.

The concurrent programme of the forum includes discussions and work shops on educational issues of present interest.

For further information on the terms and conditions for participation in the event, please see the attached *Registration Form*. You may contact us also by phone: 02/ 887 3708, fax: 02/ 884 6022, or e-mail: meridian22@intech.bg.

We would be glad to welcome you as participant in our **International Education Fair**.

Yours Sincerely,

Dipl. Eng. Radka Stamenova
President
Meridian 22 Ltd.
